FROM THE DESK OF THE CHAIRMAN

DR. R.A. CHAUDHARY (FOUNDER & CHAIRMAN)

Medical Science based on the Indian System of Medicine is growing rapidly all over the world. Unani system of medicine which in fact is the "Science of Life" has been developed and nurtured by our ancient Rishis, Sufis, and Hakims based on their practical knowledge of structure and function of human physiology, the cause of disease, and the action of the herbal drugs. The doctrine of Unani school of thought is gaining importance globally.

The Government of India has recognized the importance of the Indian System of Medicine and set up the Central Council of Indian Medicine as a statutory body constituted by Indian Medical Central Council Act 1970. The CCIM was later replaced by NCISM. NCISM recognizes Medical Colleges which offer BUMS degrees, formulate policies, monitor matters pertaining to education policy, and register degrees for the purpose of practice all over India. Now the government of India has established a separate Ministry the name of AYUSH Ministry to promote- propagate-develop and articulate Education Policy. Quality of Instructive Clinical Education, Research and Development for Indian System of Medicine (AYUSH) Various Central Councils of Research of AYUSH system of medicine are also contributing towards the authentic and scientific interpretation of the Indian System of Medicine (AYUSHI)."

The Indian System of Medicine has clearly established its edge over modern-day medicine and developed a high degree of standardized growth in the volume and the value of drugs based on herbs. By the end of the year 2030 total business based on (AYUSH) and conventional drugs is likely to touch \$30 billion in terms of financial acumen.

Aligarh Unani Medical College was started in 1993 with the prime objective of harnessing India's vast Unani potential by offering regular B.U.M S. courses. AUMC impart latest skills and knowledge of the Indian System of Medicine (AYUSH) through the most experienced, qualified and dedicated faculties using advanced medical learning systems and clinical practices. The college is an autonomous non-profit making institution committed to delivering quality education in the field of the Indian System of Medicine (AYUSH), The institution is imparting quality education in Unani

System of Medicine and building a national stream of competent and institutionally qualified professionals who can practice the Indian System of Medicine (AYUSH) in a scientific manner all over the world. The Aligarh Unani Medical College and Hospital is dedicated to the millions of people, who are suffering due to diseases and ignorance. We offer our humble efforts to cure disease and create an enlightened environment in which all human beings can live healthy and prosperous life. Keeping in view of the target specific needs of students of the Indian System of Medicine (AYUSH), AUMC confirms its commitment to building a "Learning Society in which every student has the opportunity to fulfill his/her potential, building a worthwhile career in medicine, and actively participate in the lives of their communities.

"May God help us to create a disease-free and enlightened environment by way of our humble and holistic approach."

FROM THE DESK OF THE PRINCIPAL

PROF. AHMAD NADIM KHAN (PRINCIPAL)

Assalamu alaikum wa rahmatullahi wa barakatuhu

Welcome to Aligarh Unani Medical College As the Principal of Aligarh Unani Medical College, it is my pleasure to introduce you to our institution, which is dedicated to the pursuit of excellence in Unani medicine.

Unani medicine, with its roots in Greece and perfected by Arabic physicians, has been a cornerstone of healthcare in the Indian subcontinent for centuries. This holistic system of medicine emphasizes the interconnectedness of body, mind, and spirit, and seeks to restore balance and harmony to the individual. As an institution, we are committed to upholding the principles of Unani medicine, while also embracing modern research and technology. Our students are trained in the classical texts of Unani medicine, as well as in modern medical sciences, equipping them to provide comprehensive and compassionate care to their patients.

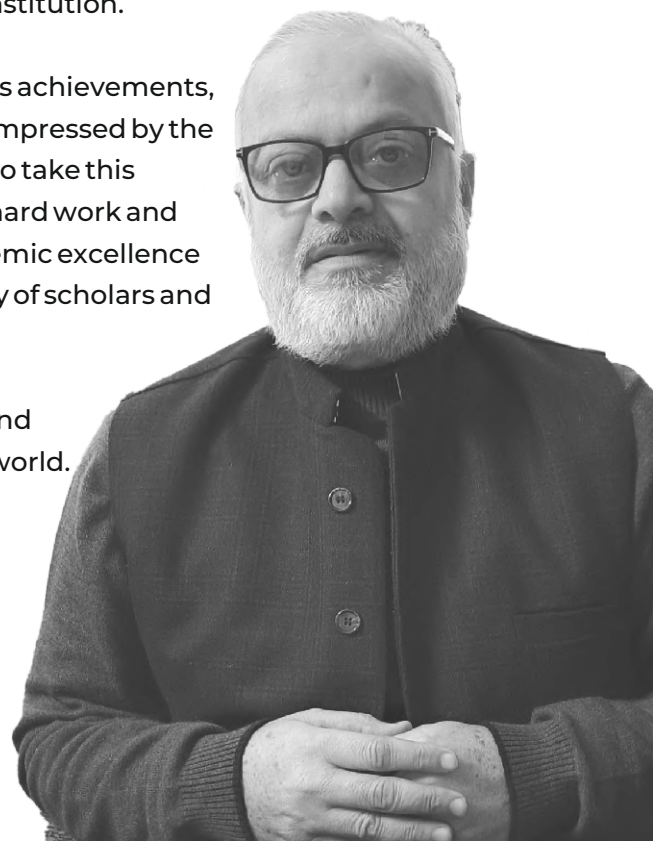

Aligarh Unani Medical College was established in 1993 under the visionary leadership of Dr. R.A. Chaudhary. Since its inception, the institution has been guided by a strong commitment to excellence in education and healthcare.

I am proud to say that I have been a part of this institution since its beginning, as a founder member. Over the years, I have seen the institution grow and flourish, thanks to the tireless efforts of our leadership team.

Today, the institution is ably led by **Dr. Zeeshan Chaudhary**, Vice Chairman, who brings a clear vision and strategic direction to the institution. **Mr. Faizan Chaudhary**, Vice President, has also been instrumental in driving the growth and development of the institution.

In the following pages, you will find a showcase of our college's achievements, research, and cultural events. I am confident that you will be impressed by the diversity and richness of our college community. I would like to take this opportunity to thank our students, faculty, and staff for their hard work and dedication. Your efforts have made our college a hub of academic excellence and intellectual curiosity. We invite you to join our community of scholars and embark on a journey of discovery and growth.

Together, let us explore the rich tradition of Unani medicine and work towards creating a healthier and more compassionate world.

STORY OF HOPE

DR. R.A. CHAUDHARY (FOUNDER & CHAIRMAN)

The story behind the foundation of this eminent institute of education is truly inspiring.

Dr. R.A. Chaudhary was born and brought up in a small village named **HARRA** in **UTTAR PRADESH**. Due lack of educational facilities at his place he moved to Aligarh in 1981 after completing high school.

He was selected in AMU for higher studies and graduated with flying colours.

Being a keen observer and visionary, during his days in AMU he felt the dire need for another platform of higher education in **Aligarh** as the **Central University** could only take in a limited number of candidates while thousands of others remain deprived and struggled to find other educational facilities nearby.

e He was a deep devotee to the cause of education, he believed that widespread education was the only way to enlighten future torch bearers of this great nation.

In **1993** the foundation of **AUAMC** was laid. Since then the Group has grown leaps and bounds adding the departments of **Management, Engineering, Computer Applications, Nursing, International Schools** among others to its portfolio.

The group continues to draw students from all corners of the country and **Dr. R.A. Chaudhary** serves to be the motivating force behind it.

His story Instills the belief that anyone with enough vision, persistence, and dedication can move mountains no matter how humble the beginnings are

INTRODUCTION

The **Aligarh Unani Medical College and ACN Hospital** was established in **1993** by **Dr. R.A. Chaudhary** a great reformist and an old scholar of Aligarh Muslim University under the auspices of AIRE Society.

The **Aligarh Unani Medical College & ACN Hospital** is an autonomous, non-profit making body from Aligarh Muslim University towards north on the Anoop Shahr Road leading to Kasimpur Power Plant.

The Unani college equipped with **modern infrastructural and clinical systems** has been established at ACN City. A **well-connected bypass road** has been constructed from the entrance in Aligarh at G.T. Road which leads straight to the Anoop Shahr Road avoiding city traffic congestion.

Aligarh is situated in the midst of U.P., the land between the Ganga and Yamuna Rivers at a distance of 110 km South-East of Delhi on the Delhi-Howrah Northern Rail Track and on the Grand Trunk Road. The latitude is 27° 54' N and the longitude is 78° 05 E. The climate is hot in summer and cold and dry in winter with an intervening rainy season.

The Institution is imparting Bachelor level Degree Courses in Unani Medicines (**B.U.M.S.**). The Courses are recognized by the National Council of Indian System of Medicine, New Delhi (N.C.I.S.M.) and affiliated with Mahayogi Guru Gorakhnath AYUSH University, Gorakhpur, Uttar Pradesh. **P.G. level courses** also started in **Unani college**.

Why the AUMC & ACN Hospital is different?

In short span of about 30 years of its existence, the institution has been able to pass out batches from 1993 to 2023 in Unani colleges. All students passed out in previous batches are well placed and enjoying a flourishing practice. Furthermore, the institution in the past has been selected for the allot-ment of successful candidates of CPMT amongst all the Self-Financed Medical Colleges of Unani Systems in Uttar Pradesh. The institution has also been selected as Nodal Institution to conduct entrance tests for admissions to the self financed Medical College of

Uttar Pradesh. The full-fledged Department of AYUSH Studies is fully equipped with Ultra modern clinical and learning facilities apart from **extensive infrastructure** as per the norms of the Central Council of Indian Medicine, (Government of India) New Delhi. Now NCISM

The College has well-established laboratories attached to the Unani Faculties. The students can draw upon **Anatomy, Physiology, Pathology, Pharmaceutical, and Computers labs** along with **well-equipped** and scientifically running departments.

The college adopts the latest methods of **interactive teaching**. The classrooms are equipped with multi-media and latest audio-visual aids. The institution exposes students to the **Modern System of Medicine** under the close mentoring and guidance of highly experienced lecturers and expert doctors.

The institution's library contains a **large collection of Books/Periodicals and Research Journals** in order to provide **maximum knowledge and in-depth study** of subjects to the students. The student-friendly **hostel facilities** are available for boys and girls separately.

The institution has a **well-cultivated Herbal Garden** consisting of more than **5000 medicinal plants** in addition to potted plants in huge quantities.

A **well-equipped and ultramodern Hospital** having **100 Beds** is attached to the college. The **OPD/IPD** is in full swing with the holistic distribution of free medicine to the underprivileged. There are **200 OPDs** and **60 IPDs** every day on average.

MEET OUR TOPPERS (BATCH 2021)

**MANTASHA FAZAL
KHAN**
BATCH 2021

1st

Rank Holder

Assalamu alaikum wa rahmatullahi wa barakatuhu

I am **Mantasha Fazal Khan** of batch 2021, a proud student of AUMC in the BUMS course. My journey at this esteemed institution has been nothing short of incredible, shaping me both academically and personally. The **infrastructure** of my college is truly remarkable, providing a conducive learning environment with **well-equipped classrooms, laboratories, and a vast library**. The faculty members here are not just educators but true mentors.

Our respected Principal is an inspiring leader. Since joining this college, I have experienced immense personal growth. My confidence, knowledge, and critical thinking abilities have significantly improved and developing a more focused approach toward my future. The experiences here have shaped me into a more resilient, knowledgeable, and dedicated individual.

For me, **AUMC is not just an institution—it is a journey of self-discovery, empowerment, and endless learning.**

NAUSHABA PARVEEN
BATCH 2021

2nd

Rank Holder

Assalamu alaikum wa rahmatullahi wa barakatuhu

I **Naushaba Parveen** from 2021 I secured **2nd Rank** in college. Now it is not just a testament to owe collective efforts, but also a reminder that we have the potential to strive for even greater height. So, let us continue to support each other, learn from each other and push ourselves to excel in all that we do.

Teachers are very supportive and well educated. The college has a state of the art infrastructure, with well equipped laboratories, library and classroom.

ANAM FATIMA
BATCH 2021

3rd

Rank Holder

Assalamu alaikum wa rahmatullahi wa barakatuhu

Myself **Anam Fatima**, student at Aligarh Unani Medical College and ACN Hospital. I am pursuing BUMS and currently in 2nd prof. I got **3rd Rank** in my **1st prof final examination** and secured 902/1350 marks.

I just want to share my experience of this institution ACN College, Aligarh, is a symbol of **academic excellence**, providing a supportive and **inspiring learning** environment. The dedication of our **esteemed faculty** has played a key role in my success, offering deep knowledge and constant encouragement. Their thoughtful **guidance and strong commitment to education** have been truly life-changing. I am sincerely grateful for their support and the wonderful opportunities the college has given me to **grow, learn, and achieve my goals.**

MEET OUR TOPPERS (BATCH 2022)

ARSHI FIZZA

BATCH 2022

1st

Rank Holder

Assalamu alaikum wa rahmatullahi wa barakatuhu

I'm **Arshi Fizza** and I would love to share my incredible journey of my first professional BUMS course. During my time in college, I had the opportunity to **grow both academically and personally**.

I was actively involved in various **extracurricular activities**. These experiences helped me **develop strong leadership, teamwork, and communication skills**. Academically, I was exposed to a wide range of subjects like anatomy and physiology. I was introduced to the basics of unani medicine including its philosophy, history, and principles of unani medicine.

I also had the chance to work on various projects, which honed my problem-solving and **critical thinking skills and increased creativity**.

College has been a **transformative experience** that has helped me develop important life skills, such as time management, teamwork, and communication.

The college has state-of-the-art infrastructure, including **modern laboratories, libraries, and lecture halls**. **The campus is clean, green, and well-maintained,**

providing a perfect environment for learning. The college encourages students to **participate in various extra-curricular activities, such as sports, cultural events, and community service**. These activities helped me develop important life skills, such as teamwork, **communication, and leadership**.

I had the pleasure of being taught by the teachers of this institution who is an exceptional educator and mentor. Teachers has a unique ability to break down complex concepts into simple, understandable terms. Their teaching style is **engaging, interactive, and inclusive**, making even the most difficult topics enjoyable to learn. **Overall, my college experience was enriching and helped me become a more confident, independent, and well-rounded individual.**

LABIBA RIZWAN

BATCH 2022

2nd

Rank Holder

Assalamu alaikum wa rahmatullahi wa barakatuhu

I'm **Labiba Rizwan** and I'd love to share my journey in my first professional course of unani medicine and surgery, I laid a strong foundation in the fundamental principles of unani medicine.

I was introduced to the various subjects of unani medicine like usoole-tib in which I studied the laws and concept of unani system of medicine.

The college has a state-of-the-art **infrastructure, with well-equipped laboratories, libraries, and classrooms**.

The college also provides ample opportunities for **extracurricular activities, research, and community service**. **The faculty is supportive and encouraging, and the campus is vibrant and diverse.**

Teachers of this college are outstanding educator who has made a significant impact on my **learning experience**. Their teaching style is engaging, informative, and inclusive, making complex **medical concepts accessible** to all students. I also began to learn about various unani medicinal plants and their properties which are present in herbal garden of the college.

The first year was a **transformative experience** that sparked my interest in unani medicine and **motivated me to explore its vast potential for healthcare**.

MEET OUR TOPPERS (BATCH 2022)

FAIZAN KHAN

BATCH 2022

3rd

Rank Holder

Assalamu alaikum wa rahmatullahi wa barakatuhu

I'm Faizan Khan and I'd like to share my experience in the first professional BUMS course.

As I reflect on my first year of college, I am filled with a mix of emotions - excitement, nervousness, and a sense of accomplishment. It's been a year of growth, learning, and self-discovery. The first year of college was a whirlwind of new experiences, from navigating the campus to managing a rigorous academic schedule.

My professors were **knowledgeable, supportive, and passionate** about their subjects. They encouraged us to think critically, ask questions, and **explore new ideas**.

I had the privilege of studying at Aligarh unani medical college, and I must say that it was an enriching experience.

The curriculum is comprehensive and up-to-date, with a **focus on both theoretical and practical aspects of medicine**.

I've also had the opportunity to engage in extracurricular activities, such as joining medical camp and participating in volunteer work. These experiences have helped me develop new interests, build relationships, and discover my passion.

My first year of college has been an incredible journey of growth, learning, and self-discovery. I'm grateful for the experiences, relationships, and lessons I've gained, and I'm excited to see what the future holds.

RULES AND REGULATIONS

FOR RESIDING IN THE HOSTEL OF A.U.M.C. (FOR GIRLS ONLY)

- The Girls Hostel of Aligarh Unani Medical College and ACN Hospital is situated at ACN city Kasimpur Aligarh.
- No girl student of BUMS of outside Aligarh is allowed to reside privately or in a rented room other than the residence of nearest relatives or local guardians.
- No responsibility will be borne by the management of the college for those girls' students who are residing with their nearest relatives or local guardians.
- The residential students are allowed to visit their local relatives once a week.
- The local relatives of the residential students can visit their ward in the hostel once in a week with the permission of the warden.
- No other person will be allowed to visit the students except to the local relatives. The name and address of such relatives must be entered with the warden. The residential students can move out of the hostel with the written permission of the warden with their relatives.
- In any emergency the residential students of the hostel will inform the warden and can move out of the hostel with the written permission of the warden.
- If any student of the hostel is found roaming in the nearby vicinity, she will be fined which is at the discretion of the warden in the first instance.
- If she is found again roaming, her parent will be informed and her admission to the college may be cancelled.

GENERAL RULES AND REGULATIONS

- The Management and the Principal reserve the right to make additions or alterations to the existing rules, working hours, timetable, or mode of training as may be deemed fit from time to time. The students shall be required to abide by all the prescribed and modified rules.
- Students who are on leave or unable to attend classes due to unforeseen reasons, have to deposit the fees on the due date. Students must attend the lectures on time. Latecomers will not be allowed to attend the classes. Continuous absence for ten days from the college without written permission shall lead to striking off the names of the students from the college. They may readmit with the permission of the principal as a fresh student and he may be required to pay all the dues as a fresh student.
- Students will be responsible individually or collectively (as the case may be) for any loss or damage of institutional property.
- A student is liable to be fined up to Rs. 10000/-suspended, expelled, or dealt with any punishment for negligence in studies/attendance or act of indiscipline or for any misconduct in or out of the college premises, Student found indulged in Anti-Govt... Anti-National or Anti Institution propaganda will be expelled from the college immediately and he/she will have no claim of fees paid by him/her.
- In case of any dispute between the management of the college and the students the matter will fall under the legal jurisdiction of Distt. Aligarh, U.P.
- The Rules, Regulations, and Syllabus in respect of the college printed in the prospectus are given in good faith prevailing at the time of issue of the prospectus.
- The management will be free from all liabilities in case of any change in regulation at any stage. However, in case of any change in the syllabus by NCISM., (New Delhi), the management reserve the right to levy additional charges for the additional study.
- In matters which are not covered in the said rules and regulations, the decision of the Managing Director/Principal shall be final.
- It is the sincere desire and endeavour of the management to make the student good and law-abiding citizens, so as to bring a good name for themselves, family, and the country. If a student indulges in an illegal or anti-national activity the college shall not be responsible for her/his involvement.
- The Management of the College, Principal Unani Colleges reserves this right to cancel or reject any admission form.

DISCIPLINE

The college pursues the ideals of training minds, quest for knowledge and a healthy lifestyle. It developed curiosity and imagination among students and upholds the high tradition of tolerance. It lays great emphasis on mental and physical discipline and expects the students to strictly abide by the rules of progressive discipline inside and outside the classrooms. The Proctor and his staff, Proctorial Monitors selected amongst the students, maintain discipline and security on the campus. Teachers ensure orderly behavior in the college while the wardens in the hostels separately function for girls & boys.

RAGGING

Ragging in any form, as defined in Clause (V) Part 4 of Student Conduct and Discipline Rules is a punishable offense, and a student for this act of indiscipline or ragging, in accordance with clause (V) of the above rules is liable to pay a fine of Rs.5000. which may extend up to Rs. 25000.

The student will have to submit an "undertaking" in the prescribed format to the effect that he or she shall not take part in any form of ragging and shall abide by the rules prescribed for the purpose as amended and enforced from time to time.

**"A potent poison becomes the best drug on proper administration.
On contrary, even the best drug becomes a potent poison if used badly."**

FEES

The parent/guardian of each student shall furnish a written undertaking to the effect that he/she will pay all fees due toward his/her ward. If regular payment is not made, the name of the defaulter shall be removed from the roll of the college by the Principal

IMPORTANT INFORMATION & RULES

In this booklet information/rules are given in detail and the students have to abide by all the rules & regulations in spirit and words, seeking admission to this College. The fact that a candidate applies for admission shall be taken to mean that he/she agrees to abide by the college rules. No litigation shall be entertained in this regard.

1. There shall, under no circumstances, be any relaxation in the eligibility criteria.
2. The college reserves the right not to admit any candidate to a course of study even though a notification inviting application for admission to the same has been issued.
3. All admissions shall be provisional.
4. If it is found that the qualifying examination of a candidate is not recognized by the College/Board/University, such admission will be cancelled.
5. Candidates pursuing a course of study at this college or any other university/college are required to get their names removed from the rolls of the concerned university/college and should submit a certificate to this effect from the concerned authority at the time of reporting for admission. An applicant already enrolled in any course/class either at this college or elsewhere is required to get his/her admission to the said course/class cancelled before he/she can be admitted to this Institution/University.
6. No candidate will appear at two examinations simultaneously in one academic year i.e. in B.U.M.S.
7. Changes made in the admission rules and/or in the eligibility criteria by the Govt's rules & regulation from time to time shall also be applicable to applicants seeking admissions.

8. Candidates are required to produce the original mark sheet, certificates, etc., (document including the statement of marks of the qualifying examination with the requisite percentage of marks) at the time of interview/reporting for admission, failing which they shall not be interviewed/allowed to complete admission, and the offer of admission shall stand cancelled automatically and no further correspondence in the matter shall be entertained.

9. If it is found, at any stage, that a candidate:

- a) Does not fulfill the eligibility requirements;
- b) Has used fraudulent means to secure admission;
- c) Has made false or incorrect statements
- d) Concealed facts

He/she shall not be allowed to appear at the interview, or complete the admission formalities, or if in the case already admitted, his/her admission shall be cancelled.

10. If any error/omission in the course of processing and verification of certificates/documents of any candidate is found by the college, the college has the right to cancel such admission at any stage at which the error is discovered.

11. Applications of candidates whose qualifying examinations are not recognized by the University shall not be considered for admission to any course.

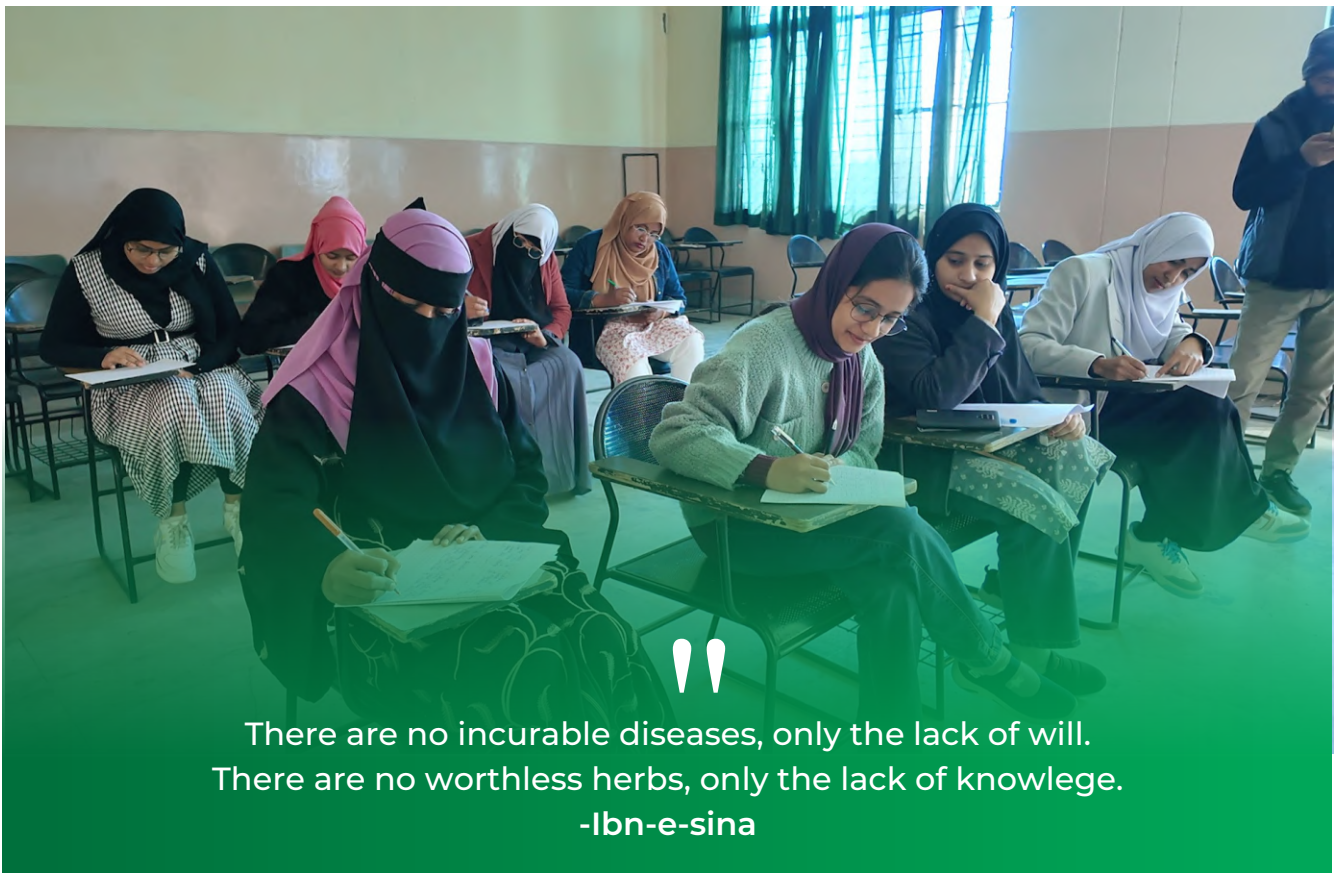

12. Applicants should satisfy themselves that they fulfill the eligibility requirements in terms of educational qualifications, age, etc. The percentage of marks secured by a candidate at the qualifying examination, falling short by even a small fraction shall not be rounded to the next whole number. Similarly, if the age falls short even by a single day, the applicant shall not be considered eligible.

13. No candidate shall be admitted unless he/she has completed all the eligibility requirements at the time of admission. Candidates awaiting the results of their supplementary/compartmental/improvement examinations shall not be admitted.

14. No employee of any public or private sector organization shall be admitted unless he/she submits a leave sanction order from the competent authority covering the entire duration of the course to which he/she is seeking admission.

15. The college shall intimate the candidates selected for admission to various courses, through registered posts, regarding the dates on which they are to report in person to complete the admission formalities. The College shall bear no responsibility in case of delay or non-delivery of such intimation letters. No information shall be sent to the candidates who are not selected for admission.

16. Canvassing in any manner for securing admission shall render an applicant disqualified.
17. As per the rules, 75% attendance in all courses is compulsory. In case of a long absence of one month from classes, the names of the student shall automatically be removed from the roll.
18. The names of students having attendance less than 75% shall be struck off from the rolls of the college.
19. If after enrolment in the college, a student does not attend his/her classes for more than one month and does not inform the Principal of the college, of the reason for his/her absence, his/her admission shall be automatically cancelled.

There are no incurable diseases, only the lack of will.
There are no worthless herbs, only the lack of knowledge.
-Ibn-e-sina

TEACHING CAPABILITIES

INTELLECTUAL CAPITAL

The institution has its own intellectual capital base. A high degree of competence, optimum, faculty-student ratio, and research output places the institution as the most favoured college of the Indian System of Medicine (AYUSH). among the students. The institution had exclusive technical collaboration with C.C.R.U.M. (Government of India) to extend teaching, training, research, and development support.

PEDAGOGIC SYSTEMS AND PROCESS:

The institution has a transparent admission process, innovative teaching and evaluation methodology, professional administration, and experiential learning. Our Pedagogic Systems and Process make studies not only a learning experience but also a continuing journey from the darkness of ignorance to the benight-ment of knowledge.

FACILITIES AVAILABLE IN THE INSTITUTION

MEDICAL AID:

The college provides free medical facilities to its students.

SPORTS AND EXTRA CURRICULAR ACTIVITIES:

The institution encourages its students to participate in sports, games, and various extracurricular activities on campus, like debates, quizzes, art competitions and mock presentations, etc. The institution organizes seminars on current topics of general interest and relevant topics of medical science.

COLLEGE MAGAZINE AND JOURNAL

The institution is already publishing a monthly magazine "Herbal Chikitsa" on the Indian System of Medicine (AYUSH).

The institution will also publish a Journal "News and Views". This Journal is published twice a year and shall contain articles on the subjects of medical research and development. It also gives progress reports of the college and its activities along with general news and views on various subjects by prominent scholars of India and abroad. The magazine also highlights AYUSH policies and their implementations with a high degree of substance.

SCHOLARSHIP

The scholarship will be awarded to the meritorious students on the basis of their performance in NEET Examination

LIBRARY

The College Library has more than **12000 Books, 900 Journals & about 1200 Magazines**. In addition to Books & Journals, a wide range of reference materials, textbooks, and CDs. A large number of newspapers are subscribed to meet the academic needs of the students. A Digital Library facility has been newly launched for students where they will get lifetime access to library books.

ACN HOSPITAL

ACN Hospital is a **well-equipped and ultra-modern Hospital** with **250 Beds** attached to the college. The **OPD/IPD** facilities are functioning in full swing. The Hospital has **24-hour Ambulance services** to provide fast mobile healthcare.

The hospital has the latest **Radiological, and Pathological** investigation facilities apart from other state of art diagnostic and clinical equipment. The College not only provides good clinical facilities to the students but also **organizes various kinds of activities including state and national-level seminars and workshops** to enrich the academic experience of students.

FACILITIES AVAILABLE IN ACN HOSPITAL

- O.P.D Facility
 - I.P.D Facility
 - ICU
 - Department of Surgery with ultra-modern Operation Theatre
 - Department of Medicine
 - Pathology
 - Gynae and Obst
 - Fitness and Health centre
 - Ilaj Bit Tadbeer
 - Well-equipped Yoga Practice Chambers

DEPARTMENT OF B.U.M.S. (UNANI)

DEPARTMENTS

DETAILS

01. DEPARTMENT OF KULLIYAT

Kulliyat deals with the basic principles of Unani System of Medicine. It is mainly concerned with formation of human body, and its various states with respect to health and diseases, their diagnosis and line of management

02. DEPARTMENT OF MUMAFEUL AZA (Physiology)

1st-year BUMS students study Mumafeul Aza, offering comprehensive knowledge of general and systemic physiology, covering organism, organ systems, cells, and biomolecules. The department provides practical and theoretical understanding, exploring Unani philosophical principles in health and the human body.

03. DEPARTMENT OF TASHREEHUL BADAN (Anatomy)

Tashreeh Ul Badan (Human Anatomy) is a fundamental 1st-year BUMS subject, offering essential knowledge of human body. structure, development, and functions. Our well-established department, with dynamic faculties and advanced resources, ensures a comprehensive learning experience with human skeletons, models, specimens, and dissection tools.

04. DEPARTMENT OF MAHIYATUL AMRAZ (Pathology)

Mahiyatul Amraaz, a BUMS 2nd-year subject, offers a comprehensive understanding of health and diseases from Unani and modern perspectives. The well-equipped department, with enthusiastic faculty, imparts theoretical and practical knowledge while instilling an interest in Unani philosophy on health and disease.

05. DEPARTMENT OF TAHAFUZI WA SAMAJI TIB

The Department of Tahaffuzi Wa Samaji Tib offers vital health education, intern training, and knowledge of Forensic Medicine & Toxicology. It covers Nutrition, Epidemiology, and other subjects with well-equipped facilities for UG teaching and intern training.

DEPARTMENTS

DETAILS

06. DEPARTMENT OF ILMUL ADVIA

The Department of Ilmul Advia imparts essential knowledge on diseases, with a practical curriculum, innovative teaching, and well-equipped facilities, including a herbarium and Pharmacognosy lab. It fosters student enthusiasm through plantation drives.

07. DEPARTMENT OF ILMUL SAIDLA

The Department of Ilmul Saidla excels in high-quality education, impactful research, and community outreach. It offers access to diversified pharmacy practices, modern facilities, and encourages student innovation through practical curriculum, including preparing formulations like Khamira and joshanda.

08. DEPARTMENT OF ILMUL ATFAL

The Department of Ilmul-Atfal offers pediatric teachings to BUMS 3rd-year students with charts, models, e-learning, and comprehensive instruction on growth, nutrition, and disease management for infants and children, including immunization.

09. DEPARTMENT OF ILAJ BIT TADBEER

The Department of Ilaj Bit Tadbeer, established as a super specialty in 2006 and officially in 2011, focuses on regimental therapy, a popular treatment method involving special techniques to enhance the body's constitution and defense mechanism. With well-equipped facilities, the department serves 15-20 daily patients, admitting 1-3 as required.

10. DEPARTMENT OF AMRAZ JILD WA TANZEENIYAT

The Department of Amraz Jild Wa Zohrawiya, enriched with classical literature in skin disorders and cosmetology, receives significant emphasis from the Ministry of AYUSH, Government of India. It offers Unani-based treatments for skin disorders and cosmetic care to the public at Aligarh Unani Medical College and ACN Hospital, continuously evolving with modern parameters to advance the Unani system of medicine.

DEPARTMENTS

DETAILS

10. DEPARTMENT OF AMRAZ -E- NISWAN WA QABALAT

The Department provides academic activities, OPD & IPD facilities, well-equipped labor room, colposcopy, pap smear tests, and regular free immunization. It generates protocols for Niswan-Wa-Atfal diseases, conducts awareness camps on breast feeding and cervical cancer, and offers learning resources like models, charts, and books covering classical and modern subjects.

11. DEPARTMENT OF JARAHAT

The Department of Jarahat at Aligarh Unani Medical College and ACN Hospital offers teaching and training in Ilmul Jarahat (Surgery) to undergraduates. With a blend of traditional Unani and modern knowledge, it emphasizes patient care, research, and performs various minor surgeries.

12. DEPARTMENT OF AIN, UZN, ANAF, HALAQ WA ASNAN

The independent Department of Ain, Uzn, Anaf, Halaq wa Asnan offers comprehensive academic activities, including regular classes, practical sessions, and OPD & IPD duties for undergraduates. Using modern teaching methods, it follows the enriched syllabus of The National Commission for Indian System of Medicine and organizes various workshops for enhanced learning.

13. DEPARTMENT OF MOALAJAT

The Department of Moalajat is the backbone of Unani medical institutions, integrating traditional Unani and modern knowledge to advance medicine. It offers UG and PG academic activities, aiming to produce competent Unani physicians with extensive knowledge and modern medical skills for healthcare services.

OUR HAPPENING CAFETERIA

CHAIWALA

The Heart of Aligarh Unani Medical College

Nestled within the vibrant campus of Aligarh Unani Medical College, **Chai Wala** is more than just a canteen—it's a hub of energy, conversations, and refreshment.

Designed to provide students and faculty with a cozy and welcoming space, Chai Wala offers a delightful menu featuring a variety of teas, coffee, snacks, and healthy meals.

Whether you're looking for a quick chai break between lectures, a refreshing cup of coffee to fuel your studies, or a place to unwind with friends, **Chai Wala** is the perfect spot.

With its warm ambiance and hygienic, high-quality food, our canteen ensures that every visit is a satisfying experience.

At **Chai Wala**, we believe that great ideas often start over a cup of tea—so come, sip, relax, and make memories!
